Please review the following checklist to be prepared for a memorable event.

Promotional Materials

If your company/client has materials to promote please send us a copy of the materials and your program. Dr. Dowlati is an experienced salesman and business developer who has sold many products and services from stage including \$1,000,000 worth of product in 90 minutes presentation. The product, service, or program must have high quality to be promoted by Dr. Dowlati. He believes in high quality and clarity.

Introduction

Please email us at Dylaan@DylaanDowlati.com your introduction to your event so Dr. Dowlati will review and create a personalized introduction for you that can be used as a guide.

Room Set Up

Dr. Dowlati would like to stay close to the audience and engage them in conversation. Besides the raised platform he likes to have steps to come down on the floor and walk between the isles.

He prefers to be seen from every corner of the room so it would be nice to have a raised platform according to the size of the room. Dylaan is full of energy and likes to walk on the stage and on the floor to engage the audience so please avoid to limit him to a small stage.

Lectern or a small desk at the corner of the stage (not in the middle) is preferred to keep the education materials on.

Microphone

Dylan's mic preference is wireless lavalier to have free hands for demonstrations. However, having a handheld wireless microphone for audience engagement is a nice thing to have.

Visual

Dr. Dowlati prefers to use PowerPoint from his Apple laptop computer. If the only option is Windows based computer please provide a laptop with USB drive slot or make his presentation ready on your computer. Dylan uses his clicker to advance the slides.

Projector and screen or LCD are required for PowerPoint presentations.

Having Whiteboard or Large sheets of paper on a stand, plus colored markers are preferred for explanation of some items.

Lighting

Enough light to be seen and see everyone in the room is required. Please avoid intense lighting that prevents seeing the audience.

Accommodation and Travel

Accommodation and travel expenses are not parts of the speaking or workshop contract. Those expenses are handled by the client or extra charge will be added to the contract.

Airfare includes round trip (non-stop) when possible.

Hotel room must be non-smoking and as far as possible from smoking floors. Please reserve the hotel room at the same place as the event takes place.
